

MCL UNIFORM NOTES

When you are looking to assemble your Marine Corps League Uniform, the guidebook to use is **ENCLOSURE 3** of the **National Administrative Procedures**.

The document is available for download from the Member Library of the National MCL website at <https://www.mcleaguelibrary.org/member-library/>

Yes, that page is password protected, but we can get it to you if you ask.

MCL Covers, patches, emblems & ribbons must be purchased from the **Semper Fi Store** (<https://the-semper-fi-store.myshopify.com/>). Customized embroidery on the cover may be done locally in accordance with Enclosure 3.

Red Blazers may be obtained from various sources, and there are links in the Marine Corps League Library (<https://www.mcleaguelibrary.org/home/>) to those vendors.

Similarly, the white '**Aviator**' style shirts (both short & long sleeve with epaulets) and black trousers are available from multiple sources - primarily police and security supply shops including **Athletic Lettering** (locally) and those online.

The next page lists a number of uniform items available for re-use by members. Likewise, if you have items that no longer fit, but are suitable for wearing, perhaps another member can take them on! Please note that while we attempt to keep this list current, some items may not be available.
